Mowing (Down to): 0.5"

*M=1,000 square feet

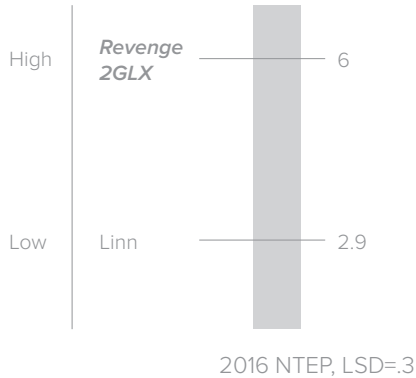

Technical Information

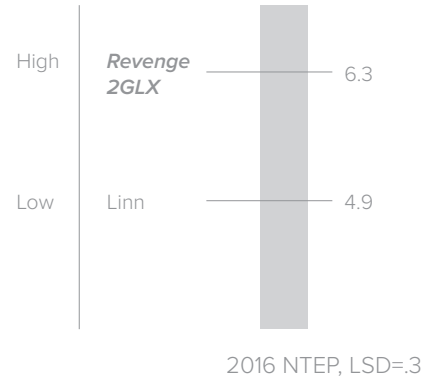

Applications

Revenge 2GLX is the newest Barenbrug variety to carry the GLX moniker. Revenge 2GLX rose to the top in the 2016 Perennial ryegrass NTEP test, making its way into the top group for overall turf quality. With resistance to many diseases, good traffic tolerance, density, and good color, this variety will fit nicely in a host of applications. From golf courses and sports fields to home lawns and parks, Revenge 2GLX provides a beautiful, disease resistant turf.
